Dear Mildred Andersen:

With respect to the Envirosink, I have reviewed the literature you have provided and have determined we have no regulatory interest in your product. This is, in my opinion, a water saving device and, as such, it will have a positive environmental effect.

Thank you for giving me an opportunity to review your product information.

This is not an endorsement by the Ministry of Health.

If you have any questions with respect to this letter, please feel free to contact me at (250) 952-1501.

Yours truly,

John Rowse B.A.A. C.P.H.I. (c)  
Provincial Land Use Specialist
